

# Potted Garden Tour MAP

# Welcome

to the First Annual *Potted Garden Tour*, sponsored by the Essex Board of Trade. Planted containers of all types grace patios, courtyards and storefronts along our main streets, creating charming vignettes. We hope you'll enjoy a relaxing and inspirational stroll as well as visit our shops and restaurants, many of which are featuring *Potted Garden Tour* festivities. Following are this year's *Potted Garden Tour* destinations and their designers:

1. **Reading Garden** at Essex Library, Acer Gardens, Deep River
2. **Village Garden** at Pocketful of Posies created by Van Wilgen's Garden Center, North Branford
3. **Garden of Verses** at Essex Books, sponsored by Essex Books and The English Lady, Essex
4. **Painted Courtyard** at Left Bank Gallery designed by Anne Penniman Associates, Essex
5. **English Charm by the Cove** designed by The English Lady, Essex
6. **Patio Garden** in Essex Park created by the Essex Garden Club
7. **Garden in the Square** at Griswold Square, Old Lyme Landscape, Old Lyme
8. **Riverside Garden** at the Connecticut River Museum, sponsored by Ballek's Garden Center, East Haddam
9. **Zen Garden** at The Spa of Essex, designed by Landscape Specialties, Essex
10. **Potted Caboose** at the Essex Steam Train & Riverboat, Riggio's Garden Center, Essex
11. **Memorial Garden** at the Lutheran Church in Centerbrook, Burnett's Landscaping, Salem
12. **Gathering Spot** at Gather, designed by Keith Rustemeyer, local Gardener/ Horticulturalist

The Essex Board of Trade is grateful to the participants who donated their time, materials and expertise to create these special destinations. We hope you'll call on these talented professionals to help design stunning container displays for your own home or business. We also thank our Lecture Series hosts—Emrys Tetu, Holistic Health Counselor, *Wellness with Food*; Priscilla Pultz, Master Gardner, *Acer Gardens*; Maureen Haseley-Jones, *The English Lady*, and Lorraine Ballato, Author, *Successful Self-Watering Containers*—for sharing their knowledge with our gardening audience. Enjoy the visual feast!
